Education

Institute of Aeronautical Engineering, Hyderabad, India B.Tech in Computer Science and Engineering (AI & ML) — *Expected Graduation: May 2028*, *CGPA: 7.65 / 10.0*

Narayana Junior College, Gudavalli Intermediate — *March 2024*, *Score: 838 / 1000*

Narayana English Medium High School, Vijayawada Secondary School Certificate (SSC) — *May 2022*, *Percentage: 84.3%*

Technical Skill

Programming Languages: Java, Python
Front-End: HTML, CSS
Tools: VS Code, Git, GitHub ,FireBase

Projects

TUNE TROVE MUSIC PLAYER (Kotlin) : *June 2025*

- **Developed a mobile-based audio playback system** offering a smooth, user-friendly music experience with efficient and customizable audio management.
- **Built using Kotlin and Flutter**, creating an intuitive, responsive UI that enhances seamless audio playback and overall user interaction.

MeamBot – Automated Meme Generation: September 2025

- Developed MeamBot, a meme generation tool that automatically creates memes using predefined templates and user-given text for quick and easy customization.
- Built using Python and Pillow (PIL) for efficient image editing, text placement, and seamless meme creation.
- Simplified the meme-making process by enabling quick, customizable, and high-quality meme generation without manual design effort.

Certificates

Certificate on Graph Theory – NPTEL — March 2025
Certificate on Java(Basics)-HackerRank — October 2024

Coding Profiles

LeetCode – 23+ Problems Solved
GeeksforGeeks – 34+ Problems Solved
HackerRank – 43+ Problems Solved

Leadership

Class Representative – Institute of Aeronautical Engineering — *October 2025*

HONOURS AND ACHIEVEMENTS

Won 11th prize in Nasa Space Settlement Contenst in World — November 2021
